

After much deliberation, the AMTA-OH Board of Directors has decided to follow the lead of National and cancel our state convention scheduled for this coming September. We made this difficult decision in an effort to help ensure the health and safety of all our attendees, as well as the presenters.

We had attempted to anticipate the trajectory of this pandemic and hoped it would be possible to Reconnect - Touch with each and every one of our members. Unfortunately, with the current rate of COVID cases which are only predicted to grow in the coming weeks and months, we feel it is in the best interest to cancel.

With that said, as I am sure you are well aware, the 2022 National Convention is to be held here in Cleveland! This will be our opportunity to shine and we hope to have an overwhelming number of attendees.

We will Reconnect - Touch, in Cleveland.

Thank you for your patience with our Board during these trying times.

Sincerely,

Melissa Ryan
President AMTA-OH
